**Overview:**

I joined Dundalk Photographic Society in 2004 after completing the Beginners classes. I started with a Canon 10D digital SLR after getting some advice from the Senior members after completing the beginners class. I upgraded to a Canon 5D Mark II in 2009 and shoot with a EF 24-105mm f/4L Canon, Tamron AF 11-18mm f/4.5-5.6 Di II LD wide angle & Canon & Canon EF 100-400mm f/4.5-5.6 USM L IS zoom lens. I won the Non-Advanced section of our club league competition in 2007 and moved to the Senior section where I've since competed.

I like to shoot mostly cityscape & environmental shots with some landscape and portrait shots thrown in for good measure, especially in monochrome. In April 2009 I submitted a panel for a Licentiatehip of the Irish Photographic Federation held that year in the University of Limerick and was successful.

I hope to try and get my AIPF over the next year or two & to start making an effort to submit some images to International saloons.

You can view some of work on Flickr at <http://www.flickr.com/photos/niallmcentegart>.

I hope you enjoy my photography 😊.

Niall.
