Overview:

I joined Dundalk Photographic Society in 2008 after completing the Beginners classes. I use a Canon 550D mostly with an EFS 18-55mm Canon lens. I am currently competing in the non-advanced section of the monthly competitions.

I like to shoot mostly landscape and still life, but as I am only learning photography I venture into all types of photography. At present, I prefer to create monochrome images. I hope to try and submit a panel for a Licensorship of the Irish Photographic Federation over the next year or two.
