

## Rosebowl Weekend

What a fabulous weekend for the club. We came 3rd in the National Club Finals held in Mullingar and Damien O'Malley was awarded the gold medal for his colour image "Eve".

Congratulations go to CPIC, who won the colour section and were crowned National Club Champions for 2015. More congratulations to our friends in Drogheda who came 2nd overall and won the monochrome section. Well done to all the clubs who participated over the weekend; they presented some stunning panels of imagery. This year, the Rosebowl is replaced with a new trophy in memory of the late Sean Casey.
