

Round 2 of Non Advanced Competition

The images on display for the 2nd Round of the Non-Advanced Competition were of the same exceptional standard as last month. Three images were awarded a top score of 20 points. Maeve Ahern scored full marks for one of her black & white images. In the colour section, two images scored full marks, one from Aga and one from Alex Loshkarov.

Image of the Month was yet again awarded to a first time competitor, this time Alex for his image "Mysterious". Congratulations and well done to everyone who entered images and thanks to Denis for sharing his expertise whilst judging.
