

## DPS Exhibition

Dundalk Photographic Society's annual exhibition opened in the Táin Gallery in Dundalk Town Hall on Friday 22<sup>nd</sup> April and will run for three weeks until Friday 13<sup>th</sup> May. We are very grateful to our sponsors, TruForm, Intact Software, CGP and Mahers Photography for their continued support.

The Northern Ireland Photographic Association vice president, Vittorio Silvestri, opened our annual exhibition on Friday 22<sup>nd</sup> April. Mr. Silvestri spoke about the history of Dundalk Photographic Society and the close friendship it has formed with many other clubs, especially those of Banbridge and Ballynahinch in Northern Ireland. He remarked on our success in the past and noted the high quality of images across all sections within the club that he concluded would lead to further success.

*Vittorio Silvestri, Barbie Lindsay and Tony McDonnell (DPS Chairman)*

Barbie Lindsay MPAGB, FBPE, EFIAP/s judged our exhibition, and she, too, commented on the high standard of imagery across all sections within the club. Barbie gave us a wonderful talk on her own photography the night before the exhibition.
