

IPF Club Championships 2016

Heartiest congratulations to our friends and neighbours in Drogheda Photographic Club as they brought the Sean Casey Cup back to the Wee County with a fantastic score of 1039 points. Last year's winners, Catchlight Camera Club from Belfast, were second on 1012 points and Dundalk Photographic Society were third on 1008.

The IPF club finals were held in the Mullingar Arts Centre and many thanks were expressed to Mullingar Camera Club for their flawless organization of the championship.

Full details are available on the IPF web site at the following link

Tony McDonnell won a bronze medal for his black and white image "Rising Star"

A collection of other black and white images, which were present in Dundalk's panel, is shown below.
