

Third Intermediate & Senior Qualifier

On Thursday night we welcomed John Miskelly back to our club to judge the third round of the Intermediate and Senior sections. John visited us a couple of weeks ago and judging by the quality of his images the standard had to be at its highest to claim a top score. It was very interesting to hear John's comments.

We had to wait for the Senior Colour section in order to receive our first top mark of 20 points. In the end, four images were awarded 20. These were...

Thomas Gray	for	Saddle Maker
Clodagh Tumilty	for	The Tea Shelf
Brendan Tumilty	for	Reaching Out
Gabriel O'Shaughnessy	for	Lake and Reeds

At the end of the evening, John was asked to pick one image from the set that received 20 points as his Image of the Month. He chose Thomas Gray's Saddle Maker.
