## Fourth Non Advanced Qualifier

### **Non-Advanced**

Fra Lucchesi leads the way with 288 points followed closely by Alan Carolan on 284, Andrew O'Connor on 283, Dermot & Meave Ahern on 281 & 279 and in 6th place is Alex who has 216 having missed the January competition.

Our own Brendan Tumilty LIPF judged this month's competition. His comments were deemed very constructive for all participants on the night. There was a total of two images scoring the maximum of 20 points but it was a newcomer to our club, Daryl Thompson, whose image "Misty Harbour" won image of the month. We look forward to seeing more great images from Daryl and the members of the non-advanced group over the next two months.

### **Image Cutting & Mounting**

After the non-advanced competition Sean Kenny demonstrated just how easy it is to cut and mount images. It was a very good demonstration and it did simplify the procedure for many of us. Sean has offered help to any member who may have questions or is having difficulty on this subject. Just contact him and he will offer assistance.
