

Peter Paterson FRPS EFIAP MPAGB

Peter has been taking photographs for over 40 years starting mostly in monochrome which he processed in the darkroom.

He has gained the Fellowship distinction from the Royal Photographic Society and also gained the EFIAP award and the Photographic Alliance of Great Britain Distinction MPAGB.

His main subject interests are Landscape, Still Life and Abstract, both in colour and mono. All the images are derived from Digital Files either from Slide or Nikon Digital Cameras.

He exhibits photographs Nationally and Internationally in various Photo Salons around the world and has also had photographs published in Digital Photo magazine, Photography Monthly, Digital SLR Photography, Advanced Photographer, FPME, Creative Mono Yearbook, Guide to Great Photography, and The AA Landscape Photographer of the Year Book collection 01 and 03.
