

Damian McDonald ARPS & Martin Spackman ARPS

Two talented Belfast photographers are coming to visit us, Damian McDonald and Martin Spackman are coming to talk to us about their recent success in achieving ARPS.

Damian is a very talented photographer who was successful when he presented a panel of architectural prints to the Royal Photographic Society for an associatship assessment. Damien is the regional director for the RPS. More examples of Damians work can be found at <http://www.damianmcdonald.com/>

Another very talented photographer is Martin Spackman. Martin was also successful with his ARPS panel in May of this year. Martin is the Vice President of NIPA. Examples of Martins work can be found at <http://www.rps.org/portfolio/10724-Martin-Spackman/98>
